Background

Founded in 2014, Puro Fabricare specializes in laundry and dry cleaning services. Realizing the high demand of laundry services in most residential area, we came to offer a high quality garment cleaning focused on giving our customers a service with delight. Until today, there are 3 Puro Fabricare stores and home delivery services covering Serpong area.

Vision

Puro Fabricare aims to be the one to the trusted garment cleaners in Jakarta. Since our founding, we have promoted a culture of cleanliness and environmental friendliness by providing useful products and helping to ensure harmless effect on the environment.

Our Methods

We are committed to give your garments the best treatment through six professional stages of expertise

Thorough Checking

Checking an item prior to washing can avoid problems, like dye transfer, wrinkles, etc.

Spot Cleaning

We are committed to remove stain without risking the quality of the fabric.

Washing Process

We provide varied apparatus to supply all cleaning needs, from wet to dry clean.

Hand-Finished Press

Our team receives a comprehensive training to impeccably ironed your clothes.

Quality Control

All items are carefully packaged to ensure the freshness of your fabric.

Your Satisfaction

Seeing smiles on our customers when giving their items back are simply gold.

Our Services

Our services ranged from everyday work attire to rug and curtain cleaning

Dry Cleaning Ready

With our Italy-based Dry Cleaning Technology, your silk scarf and wool sweater are in good hands.

Delicate Items Expertise

We are committed to combine professional fabric treatment and meticulous care in our service.
